

Attachment 3

FY2022 Organizational changes

JATCO will conduct the following organizational changes as of April 1, 2022, for responding to the accelerating shift toward electrification.

Establish “ePowertrain Promotion Department”

To manage Monozukuri for electrification and its SQTC* goal achievement activities in a unified manner, “ePowertrain Promotion Department” will be newly established to integrate and establish technologies for the next generation.

*Safety, Quality, Time, Cost
