

**JATCO Officers in FY2026**

In conjunction with the organizational reform to restructure the company-wide organization into a five-division structure effective April 1, 2026, JATCO will establish a five-officer structure, with each officer overseeing one division, and will abolish the existing position classifications, consolidating them into a single position category of Corporate Officer.

In addition, to support the execution of operations in the Monozukuri division and the Manufacturing Division, JATCO will newly appoint a Chief Operating Officer (COO), who will serve as a Corporate Officer.

As of April 1, 2026
